

Appeal to foreign soldiers of fortune

The Armed Forces of the Russian Federation are sending regards to still alive foreigners fighting on the side of Ukrainian forces. What's the reason for you? Money? I'm going to tell you a secret! They won't help to come back home. You'll be destroyed by Russians or Ukrainians in any case. One more secret: you are an enemy for both. Don't get involved in family squabbles. You are a stranger here. It's not Africa and the Middle East. People who fight here are descendants of those who stopped the most powerful empires. You'll be killed. You are not immortal and it's not a computer game. You have only one life. In a case of injury nobody will help you. You'll die in agony. The only solution is to get out of here. Run without doubt. With any excuse. Stay away from us. Otherwise, you will not escape the death sentence. Mercenaries who already made this choice are alive now. Others were killed by Russian weapon. Don't be in a hurry to be in a coffin.

Every day, every hour, every second.
